

SOMAIYA
VIDYAVIHAR UNIVERSITY

30.11.2023 (M)

Maximum Marks: 100	Semester: July 2023 – October 2023	Duration: 3 Hrs.
Programme code: 01	Examination: ESE Examination	
Programme: B.Tech – Computer Engineering.	Class: L.Y.B.Tech	Semester: VII (SVU 2020)
Name of the Constituent College: K. J. Somaiya College of Engineering	Name of the department: Computer Engineering.	
Course Code: 16V01E134	Name of the Course: User Experience Design	
Instructions: 1) Draw neat diagrams. 2) All questions are compulsory. 3) Assume suitable data wherever necessary.		

Que. No.	Question	Max. Marks
Q1	Attempt <i>any Four</i> of the following:	
i)	List five relevant points of difference between UI & UX.	20
ii)	"Affordance is the relationship between what something looks like and how it's used" – Explain with the help of a supporting example.	5
iii)	What do you understand by intuitive design? Explain.	5
iv)	List out any five common interaction styles.	5
v)	What are wicked problems? Give an example for the same w.r.t UI/UX.	5
vi)	Justify the following statement: "Immersive sensory and viewing experiences can enhance the way the users interact with machines".	5

Que. No.	Question	Max. Marks
Q2 A	Attempt the following:	
i)	Figure out the role of feedback mechanism in the design of user interface.	10
ii)	Consider a multimedia file download and a software installation process. State how we can create a dialogue with the user to communicate the time factor for each.	5
	OR	
Q2 A	"Great questions lead to great design". Map the given statement to user research and journey with appropriate example.	10
Q 2 B	Attempt <i>any One</i> of the following:	
i)	(a) Infer why Goal-directed design is referred to as "User-Centred Design" methodology.	10
	(b) Discuss the different phases for achieving User-Centric design.	05
ii)	Alex is a timid person, who his pursuing an engineering programme. Otherwise, Alex is good in academics and is very obedient student. His interest lies in a job which is inclined more towards managerial position. The placement seasons are about to begin and the placement cell is worried about the prospects of Alex. However, they plan to organize skill & personality development sessions for such similar students. Answer the following question: You are appointed as a UX consultant. You need to design a persona for Alex so that the Placement cell would be in a position to get a job profile of his choice. Support your answer with proper justifications, wherever needed.	05 10

Que. No.	Question	Max. Marks
Q3	Attempt <i>any Two</i> of the following:	20
i)	Design an empathy map for Alex, as per the problem stated in question 2 (b) (ii).	10
ii)	What are User Flows in User Experience (UX) Design? How does it benefit the UX designer for depicting the user journey?	10
iii)	Explain with the help of an example how UX stories capture attention, provide clarity, and inspire the UX designers to take decisions?	10

Que. No.	Question	Max. Marks
Q4	Attempt <i>any Two</i> of the following:	20
i)	With supporting example, explain how user, context & context helps in building good information architecture.	10
ii)	Discuss why usability testing is important part of UI/UX process. Elaborate on different types of usability testing.	10
iii)	Illustrate on the characteristic of any two prototyping tools used in UI/UX process.	10

Que. No.	Question	Max. Marks
Q5	Write short notes on <i>any four</i> of the following:	20
i)	Evolution of UI-UX.	5
ii)	Gestalt's principles.	5
iii)	Applications of Augmented Reality.	5
iv)	Extended Reality (XR).	5
v)	Wireframes.	5
vi)	User Acceptance Testing.	5
